

Carson Valley Women's Golf Club
Board Meeting
Video Conference via Zoom
April 14, 2020

Attendees: Gwynn Sadlier Guiette, Priscilla Kramer, Kathy Belvel, Jan Singyke

Topics of discussion

Rescheduling Opening Day

At this time, all golf courses in Nevada are closed until at least April 30 as mandated by our Governor. Consensus was reached to push Club Opening Day forward to May 19 and revisit this topic in another Zoom meeting on May 5.

Gwynn will follow up with Beau and Manya to ensure we are aware of and comply with their decisions regarding operating schedule and safety measures. If our Club opening day is May 19, we may or may not have General Meeting and lunch — TBD in accordance with the Club House rules.

Tournament Schedule

Whenever Opening Day occurs, the tournament schedule, including starting time, will pick up with whatever was scheduled for that day and move forward from there for the remainder of the season.

Dues Adjustment

Preliminary discussion about adjustment to 2020 dues. Kathy suggested giving a credit at time of 2021 membership renewals. TBD at later date.

Website and Email Updates

Kathy will update the Website with revised dates and pertinent information.

Gwynn will send email to Club members. As there may be women who haven't yet signed up or may appreciate hearing what's going on, Gwynn will use the Club historic email list to keep both past and current members in the loop.

Next Meeting: May 5, 2020

Jan will set up Zoom meeting and send Board Members invitation and connection info.

Respectfully submitted by Jan Singyke
