House Rules

Introduction

The Carson Valley Women's Golf Club (CVWGC) House Rules have been created to define various processes and procedures to be followed by all members during the golf season. These rules shall be reviewed and modified as needed at the beginning of each year by the Board of Directors and do not require membership approval. Changes to the rules must be passed by a simple majority of the current Board. These rules must not conflict or be contrary to the club Bylaws, Mission or Values. The House Rules will be presented to the membership at the first annual meeting and will be made available to all members via the Club web site.

Tee Declaration

Each year all Ladies Club members must complete that year's membership application and declare which tee they will be playing from, white or red. If no tee is declared the red tees will be the default. This declaration is for the purpose of facilitating the printing out of properly handicapped (popped) scorecards each week via Golf Genius. Ladies may play from the yellow tees if they meet one of the following criteria;

1. Their course handicap is 40 or greater
2. They have a physical handicap approved by the board

HSTP

Qualifying

On the last Tuesday of each month the weekly play day round of golf will serve as the qualifying round for the selection of the following months' team and alternates to represent CVWGC at the HSTP tournament. The qualifying round will be played from the white tees regardless of the player's declared tees and must be a postable round of golf. Ladies interested in participating in the qualification process who did not pre sign up at the beginning of the year or have not signed up for previous qualifying rounds during the year must sign up for the qualifying round prior to the start of said round. The team will consist of the ladies with the top three (3) gross and the top three (3) net scores. The remaining ladies will be listed as alternates in ascending order of their qualifying scores.

Green Fees

The green fees for the monthly HSTP tournament will be paid by the qualifying members. Each team member will remit a check payable to the HSTP Captain in the amount of the published tournament fee as posted on the CVWGC web site to our HSTP Captain/co-Captain as soon as possible but no later than one week prior to the HSTP tournament. On the day of the HSTP tournament, the HSTP Captain/co-Captain will register the team exchanging a single check, payable to the host course, for the CVWGC HSTP team's score card(s). A team member who has paid her green fees but cannot participate will be

reimbursed by her alternate. If no alternate is available and the host club cannot, or will not, refund the fee, the player will forfeit their fee.

Raffles

50-50 Raffle

This raffle is for a cash give away at the general monthly meeting and will be distributed as follows;

- 50% of the funds collected will go to the winning number(s).
- 50% of the funds will be allocated for the Northern Nevada Youth Golf programs.

All funds will be donated at the beginning of each year from the proceeds of the 50-50 Raffle collected the previous year.

Tournament Raffles

All funds from raffles held at any tournament, Rally for the Cure, Invitational, etc., will go directly into the tournament's income stream to cover tournament expense and fund allocations. All tournament expenses and fund allocations are to be clearly defined by the specific Tournament committee.

Hole-In-One

Each year \$1.00 from each member's annual dues goes to the "Hole-In-One" fund as stated in the club's Bylaws. The distribution of the funds will be as follows:

1. A Hole-in-One distribution will be \$100 per occurrence.
2. The Hole-in-One must be made during a regular play day round.
3. The fund itself will be capped at \$300.00.
4. Monies in excess of the \$300.00 cap shall revert to the club's general fund to be used for normal club expenses and future dues may be adjusted accordingly.
5. The annual \$1.00 fee may be suspended as long as the balance of the "Hole-In-One" fund remains at or above its stated cap.

Play Day Etiquette

1. On play days, score cards will be exchanged between carts, not cart members.
Exception – cards will be exchanged between cart members in twosomes only.
2. GPS aids may be used for distance only.
3. Play days will be held every Tuesday commencing on the first Tuesday of April and ending on the first or second Tuesday of October.
4. Signups – players must sign up for each Ladies Day round of golf no later than *Sunday end of day prior to the Tuesday play day*. The preferred method is via Golf Genius where ladies may sign up for one or multiple weeks at a time. Alternately, if Golf Genius is not available, players may sign up, for the upcoming week only, by calling the Club Pro or his designate no later than end of day the Sunday prior to the play day.
5. Late Signups – players may sign up after the signup deadline above but will be subject to the following;

- a. Will not have a printed card with pops.
 - b. Must pay into the prize fund but will not be eligible to win.
 - c. Will be assigned to open foursomes (group).
6. Cancellations – players who have signed up for a play day but are unable to participate, for whatever reason, should cancel their round via Golf Genius no later than end of day Sunday prior to the Tuesday play day or if unable to use Golf Genius should contact the Club Pro or his designate no later than the end of day Sunday prior to the Tuesday play day.
7. No Shows – Players who have signed up but do not show up and have not cancelled may be fined an amount equal to the weekly prize fund buy-in.
Exception – In the event of an emergency please notify the Club Pro or his designate as soon as possible regarding a cancellation.
8. Players should be registered and ready for play 15 minutes prior to the published tee time.
9. Pace of Play –
- a. Keep up with the hole-by-hole times printed on the scorecards.
 - b. Keep up with the group in front of you.
 - c. Play ready golf. (Rule 5.6 & 6.4)
 - d. Determine yardage and club selection before arriving at your ball.
 - e. Limit practice swings to no more than two (2).
 - f. From club selection or pre-shot routine to execution strive to hit your shot within 20 – 40 seconds. (Rule 5.6).
 - g. After hitting replace club covers while riding to next ball position.
 - h. Carry an extra ball with you so you can be ready to hit a provisional ball, if necessary, or if you have declared your ball lost.
 - i. Watch your partners drives/hits and mark them if necessary.
 - j. Lost ball search limited to 3 min. (Rule 18.2).
 - k. Park your cart out of the way – on the side of or toward the back of the green – so the next group can proceed more quickly with their next shots.
 - l. Line up your putt before it's your turn.
 - m. When ball is close to hole, putt out rather than marking and waiting (Match Play excluded).
 - n. Record scores from previous hole at the next tee while waiting to hit.
 - o. Max strokes per hole will be equal to **Net Double Bogey** (Rule 21.2) which is defined as Par + 2 + Pops/handicap strokes (see Pop Calculator on Links page).
 - i. When a player reaches **net double bogey** they **should** pick up if any of the following condition or conditions are in play;
 - Group behind you is waiting to hit
 - Your group has fallen behind the group ahead of you
 - You are getting tired and/or frustrated
 - You are slowing up your group

Note:

If none of these conditions are in play, players may elect to continue normal play.

- ii. A player may not pick up before the **Max Strokes** (net double bogey) has been reached without tournament disqualification.
- iii. To maintain tournament participation (prize fund eligibility) and a postable round when picking up, a player **must** add to the current stroke count, at pick up, the “**most likely number of strokes to be taken in order to hole out**” (i.e. Par + 2 + Pops + most likely number strokes needed to hole out).
- iv. Continued participation in side games (KP, chip ins, etc.) are not affected by picking up.

Note:

This Max Stroke rule is a local club/course rule only.

New Members

New members will be paired for the first 2 – 4 rounds with “**Welcome Ambassadors**” for the purpose of member introductions, answering questions regarding Club processes and history; and assisting in understanding of USGA and local rules. Welcome Ambassadors should be long time members in good standing who are familiar with both Club procedures and USGA rules.

Financial Matters

Bank Fees

In order to avoid a monthly service charge on the Club’s checking account, a savings account was opened in 2015 which requires a monthly deposit of \$25.00 to reach a required \$750.00 minimum balance which was achieved in 2017. While funds may be drawn down to \$0.00 at any time by the Treasurer as directed by the Board, it shall be the practice of the Board when drawing funds from the saving account to leave the required minimum balance in the account. (Note: the bank’s minimum required balance is subject to fluctuation.) Current minimum balance requirements as of December 2021 are as follows;

- Checking \$500
- Savings \$300

Budget

The main purpose of an annual budget is to create a plan for tracking expected income flows necessary to cover the expected expense outflows, with the end result being a positive cash balance at the end of the year. A successful budget plan will insure the financial soundness of the organization enabling continued future operations. While the planning of income and expenses are a combination of both known and estimated, or anticipated figures, and, therefore, cannot be guaranteed to result in a positive state, the ultimate goal remains, that the income should be equal to or greater than the expenses. To this end, it is agreed that all annual budgets must be balanced when presented to and approved by the board.

End of Year Gifting

1. The giving of gifts at the end of the year banquet/luncheon by the President to her board members or committee chairs in appreciation for their service is not required nor expected. If a President wants to give special recognition to her board or committee chairs beyond appropriate accolades at the year-end banquet/luncheon it should be done in private and with discretion.
2. A gift of no more than \$50 for each of those golf course staff members deemed by the board to have given exceptional assistance to the Club over the course of the year.

Tournament Rules

Currently there are Four (4) categories of “Tournaments” that are played each year by the **CVWGC**, the weekly **Ladies Day Tournaments** or Play Days, the **President’s Cup**, the **Club Championship**, which is the only “true” tournament as recognized by the **USGA**, and the Annual Eclectic. The formats for each tournament currently are as follows;

- **Ladies Day Tournaments** or Play Days – various games.
- **President’s Cup** – two rounds of the President’s choice.
- **Club Championship** – two rounds of stroke play, lowest combined gross score wins.
- **Annual Eclectic** – Eclectic spanning all Play Day rounds played, low gross wins.

The following rules apply to the current tournaments as described above and must comply with sec 10.3 Rules of Play as stated in the Bylaws. In the event that these formats change these rules and Bylaws will be reviewed and modified accordingly.

Ladies Day Tournaments

Each week a different game will be played as set by the Tournament Chair before the beginning of each year (see Club Tournament Schedule and Tournament Scheduling Guidelines on the [CVWGC](#) web site). Each weekly tournament will contain the following components;

1. Eligibility
2. Flights
3. Prize Fund
4. Side Competitions

Tournament and side game prize funds will be based on the following buy-in:

- | | |
|-----------------------|-------------------------|
| • Weekly Tournament | \$6.00 |
| • KP (optional) | \$2.00 |
| • Chip-ins (optional) | \$200 |
| • President’s Cup | 2 rounds @ \$7.50 each |
| • Club Championship | 2 rounds @ \$7.50 each |
| • Annual Eclectic | \$7.50 (paid with dues) |

Eligibility –

- All competitors must be a member in good standing or a guest of a member.
- All competitors will play from their “declared” tees.

Flights –

1. Each game will be flighted based on handicaps and/or declared tees.
2. Members without an established handicap or guests will not be included in flights nor be eligible for prize fund payouts.

Prize Fund –

1. A portion of the green fee paid by **all** players will go into the weekly Prize Fund.
2. The Prize Fund will be paid out to ~35% of the eligible field which is defined as;
 - a. Being a member in good standing.
 - b. Having an established USGA handicap. Minimum of five (5), 18 hole postable rounds to establish a “trended” handicap.
 - c. Members without an established handicap and guests are not eligible for Prize Fund payouts.
3. Prize fund will be paid out as follows;
 - a. One overall low Gross winner.
 - b. Low Net for all flights with the number of flights and places paid being determined by the number of players and the target payout goal as stated in item 2 above.

Side Competitions –

Weekly side competitions currently consist of Closest to the Pin (KP) and Chip-Ins.

1. All side competitions are optional.
2. Side competitions will be available on all play days.
3. Each competition costs \$2.00 payable at check-in.
4. All players are eligible to participate in side competitions, including guests.
5. Any side game carryover on the last tournament of the season will go into the club general fund and be used to offset closing luncheon/banquet cost.

Closest to the Pin (KP) will be played as follows;

1. There will be three (3) KP holes (1, 13 & 17) for each round.
2. To qualify for a KP the shot must be the initial tee shot.
3. The tee shot must come to rest on the green.
4. KP pays the closest shot on each of the three (3) KP holes.
5. Payouts will be as follows;
 - a. Each KP hole will pay one third (1/3) of the total KP purse.
 - b. If there is no winner on a given KP hole, that hole’s share of the purse will be added to the remaining holes and divided equally.

- c. If there are no winners on any of the holes the entire week's purse will be carried over and added to the following week's KP buy-in.

Chip-ins will be played as follows;

1. Chip-in are played on all Play Day games so long as all players have equal opportunity to attempt a chip in on each hole. .
2. The chip-in must be from off the green.
3. Any club may be used for the chip-in shot.
4. If a chip-in attempt goes through the green, the subsequent shot is a valid chip-in attempt. Likewise, if a putt goes off the green the subsequent shot is a valid chip-in attempt.
5. Chip-ins pay equal portions for each chip-in recorded.
6. A player may receive multiple shares if recording more than one chip-in.
7. If there are no chip-ins recorded, the pot will carry over and be added to the following week's buy-ins.
8. Eligible players for the carry over pot will be limited to those players who "buy-in" to the subsequent week's Chip-in game.

Birdies and Eagles

While not a formal "Side Competitions" birdies and eagles recorded during the season will be recognized and rewarded at the end of the end of the year Luncheon/Banquet under the following guidelines;

1. Recording a birdie or an eagle is based on the gross score for the hole
