## CVWGA Board Meeting Minutes

Meeting called to order approximately 10:05am

In attendance: Linda Davis; Sherrie Thorne; Janice Scott & Suzette Eropkin

- Communication between ladies club and the golf course websites regarding any major changes on the weekly tournament.
  - If there are any major changes and/or updates on the ladies club golf tournaments, Linda D. will contact both Kathy Belvel and whoever makes changes on the golf course website so that both the websites are coordinated.
- Outreach Packets.
  - Next year our project will be to work with Manya and the Men's Club to put together an informational packet to be given out by the chamber of commerce to people who move into our local area. We will keep our clubs information simple e.g., our application, mission statement, website, the day we play, and cost.
- End of year luncheon.
  - Place -Country Club Restaurant and Bar. The cost of the luncheon will run around \$25.00 per person. Linda will also be collecting \$5.00 from each lady who signs up to attend. This money will defray some of the costs if anyone who signs up cannot come. We will be giving out birdie pins; most improved player award; and eclectic winner. Linda is going to purchase 3 sets of golf club covers and Sue will make them into table decorations to be given away via raffle.
- End of year gifting
  - It was decided that we will give Rob; Laarni and Lani each a \$50.00 MasterCard. Janice Scott will purchase them.
- What is the history of the Rally for a Cure...does the Ladies Club do it or the golf course? This is like the Invitational, if someone from the ladies club wants to volunteer to do it, the members can volunteer and help otherwise, it is not in the club house rules as mandatory.

Respectfully submitted,

Suzette Eropkin
